

# A creative agency in action

## Pollitt & Partners

As an independent creative agency with 45 staff, Pollitt & Partners help create and build brands in a range of sectors. Technology is vital for staying in contact with clients, while providing staff with the right tools; desktops, laptops, mobiles or tablets.

VPN Access facilitates freelancers and home working while a 100Mb Ethernet service ensures a stable connection in the office. The internal server network is vital to the business and a backup is in place in case of any issues.

Future investments will be made in cloud storage and to increase speed and bandwidth, as these are vital for business growth.

## Priorities of Pollitt & Partners

### Speed

Sharing large files with clients and suppliers means a fast connection is important.

### Reliability

Half day outage would be an issue but internet can be accessed on mobiles.

### Repairs

Half day outage would be an issue but internet can be accessed on mobiles.

### Service

If something goes wrong it needs to be fixed asap.

### Security

Managing and storing sensitive files requires a secure connection.
