

Ethernet Access Direct (EAD) Gigabit Drop Zones Connection Charge Special Offer

This pack outlines a new special offer
on EAD 1Gbps products

We've undertaken all reasonable steps to ensure the accuracy of the data and prices in this pack. Information presented here is intended as a guide only. Always refer to the Openreach price list to confirm the latest pricing information.

New Special Offer

We have a new special offer on EAD 1Gbps products

Gigabit Drop Zones

We're pleased to announce that Openreach is reducing Ethernet Access Direct 1Gbps connection charges by 39%* in the **Gigabit Drop Zones**, postcode defined geographic metro areas:

- The Central London Area
- Birmingham
- Glasgow
- Leeds
- Manchester
- Bristol
- Edinburgh
- Selected metro areas across the rest of the UK

The special offer will run from 1 July 2019 to 31 March 2020 and will reduce connection charges by £725*.

*Connection charges may vary slightly during the offer period in line with any changes in the ECC fixed fee component of the charge. In this case, the reduction will vary to keep the connection charge after reduction fixed.

Gigabit Drop Zones

Eligible products

The special offer will be applicable to new orders for the following EAD services, both on standard minimum term and 60 month minimum term:

- EAD 1Gbps
- EAD 1Gbps Resilient Option 1
- EAD Local Access 1Gbps
- EAD Local Access 1Gbps Resilient Option 1
- EAD Extended Reach 1Gbps
- EAD Extended Reach 1Gbps Resilient Option 1

Gigabit Drop Zones

Eligibility criteria

Circuits installed within the Central London Area (CLA) or the metro areas of Birmingham, Glasgow, Leeds, Manchester, Bristol, Edinburgh and Rest of UK may be eligible for Gigabit Drop Zone special offers.

The following criteria apply for an order to be eligible for the offer:

- The circuit must be in a Gigabit Drop Zone area
- Details on how a circuit is determined to be within an eligible area are as follows:
 - Both circuit ends fall within eligible postcodes within either CLA or the metro areas listed above
 - The end customer site is within an eligible postcode and is connected to a network node outside of these areas; and
 - In the case of a backhaul circuit, the location of the remote end of the backhaul circuit is within an eligible postcode
- The order must be placed and accepted within the offer period of 1 July 2019 to 31 March 2020
- Existing rental prices continue to apply
- The offer will be fulfilled via a rebate after order completion
